BOEHRINGER INGELHEIM

**World Class Swine Industry
Training Programs**

BISA® Classic On line

Our world class program is offered to Boehringer Ingelheim Animal Health customers and employees with swine medicine experience. During BISA® Classic on-line, participants enjoy interactions with swine industry leaders in swine health. The curriculum provides objective, scientific training for swine veterinarians focused on swine health. BISA® Classic program focuses on providing content of practical applicability .

BISA® Classic On line program

- March 23-25, Diagnostics and Root cause analysis
- March 30 - April 1, Enteric disease, agents and pathology
- April 6 - 8, Respiratory disease, agents and pathology
- April 13 - 15, Principles of immunology and vaccinology
- April 20 - 22, Disease Control and Clinical case discussions
- April 27 - 29, Biosecurity
